

We Recycle!

People within NLYH have made a commitment to reduce waste and to provide a green environment. This is just one item that creates a clean living park.

- Save newspapers – in paper bags on street corners Tuesday before 9:00am. No telephone books please.
- Save cans – behind the office. Help beautify our park! Money goes to the Garden Club.
- Recycling is now being provided for functions that are held in the clubhouse. Please separate trash from plastic, bottles & cans when cleaning up to help promote this project.

To visit the Collier County recycling web site press 

Remember – All trash, yard waste, garbage and recycle containers are not to be set out before 6:00pm the day prior to pick up.
